The following Bill, together with the Statement of Objects and Reasons, is published for the purpose of eliciting opinion. Notice is hereby given that the said Bill will be considered on or after the 11th July 1941 and that any objection or suggestion which may be received with respect thereto before the said date by the Secretary to the Government of Madras in the Education and Public Health Department, will be considered.

A Bill further to amend the Madras Nurses and Midwives Act, 1926.

WHEREAS it is expedient further to amend the Madras Nurses and Midwives Act, 1926, for the purposes hereinafter appearing;

AND WHEREAS the Governor of Madras has, by a Proclamation under section 193 of the Government of India Act, 1935, assumed to himself all powers vested by or under the said Act in the Provincial Legislature;

NOW, THEREFORE, in exercise of the powers so assumed to himself, the Governor is pleased to enact as follows:—

1. This Act may be called the Madras Nurses and Midwives (Amendment) Act, 1941.

19-4-41

[16]

Amendment
of section 3,
Madras Act
III of 1928.

2. In sub-section (1) of section 3 of the Madras Nurses and Midwives Act, 1928—

(b) for clause (y), the following clause shall be substituted, namely:—

"(y) the Matron Superintendent of the General Hospital, Madras, and the Matron Superintendent of the Government Hospital for Women and Children, Madras;"

(d) in clause (k), for the words "one registered nurse", the words "two registered nurses" shall be substituted; and

(h) clause (j) shall be omitted and clauses (i) and (l) shall be relettered as clauses (j) and (k) respectively.

STATEMENT OF OBJECTS AND REASONS.

Clause (g) of section 3 (1) of the Madras Nurses and Midwives Act, 1928, provides that two matrons of hospitals elected by the registered nurses and midwives and approved by the Surgeon General shall be members of the Madras Nurses and Midwives Council. In practice the Matron Superintendents of the Government General Hospital, Madras, and the Government Hospital for Women and Children, Madras, have been elected to the Council under the above provision and the services of these expert and experienced officers have been found most valuable to the Council in dealing with questions relating to the training and examinations of nurses and midwives. It is therefore considered desirable that the two Matron Superintendents should be members of the Council in virtue of their office.

Under clause (j) of section 3 (1) of the Act, one member being a person registered under the Act should be elected by each of the members of the Nurses' Association of Madras as are so registered. This seat has been vacant for some time and it has not been found possible to fill it as the Association failed, in spite of repeated requests, to furnish a list of its members who are registered under the Act. There is no reason to believe that the Association is not functioning properly. It is therefore proposed to omit clause (j) referred to above and to provide in clause (k) that two registered nurses, instead of one as at present, should be elected to the Council by the registered nurses.

The Bill is intended to give effect to the above objects.

(By order of His Excellency the Governor)

P. APPU NAIR,
Secretary to Government, Legal Department.
